FUNDRAISING WALKATHON

The Red Ribbon AIDS Walk is an awareness and fundraising event for **The AIDS Project**, which serves both Centre and Clinton counties. The route through downtown State College will include many of the historic fraternity houses whose members along with other Penn State IFC, Panhellenic, and NPHC organizations participate in the Walk as part of their Greek Week celebration. Members of both the "town" and "gown" communities join them and all money raised stays in Centre and Clinton counties.

The Red Ribbon AIDS Walk is the featured philanthropy of Penn State University's GREEK WEEK!

Come join us in the 14th year of the Walk!
